MONASH UNIVERSITY

COURSE (UNDERGRADUATE ENTRY)

Bachelor of Medical Science and Doctor of Medicine (MD) – Direct Entry.

Clayton campus. 5-years, <http://bit.ly/2vdt54P>

SELECTION CRITERIA

General Entry

Selection will be equally weighted on Year 12 results, UCAT result and Multiple Mini Interview.

- ATAR – at least 90
- Subject prerequisites - at least 35 in English (EAL) or 30 in any other English, and 30 in Chemistry. Students who haven't completed Units 3+4 Biology can complete a bridging course.
- UCAT ANZ results
- Multiple Mini Interview (short-listed).

Indigenous entry

- Completing Year 12
- Interview
- Indigenous students don't need to sit the UCAT

Information - <https://bit.ly/3Bi90HN>

COURSE TYPES

- General School Leaver Entry
- Extended Rural Cohort School Leaver Entry
- Bonded School Leaver Entry

SCHOLARSHIPS

VTAC Scholarships: complete by 8 October
<https://bit.ly/345Jnvq>

Direct scholarships: <https://bit.ly/2Unfmmw>

ACCOMMODATION

Visit <https://bit.ly/2MbXZ2p>

STEP 1: SIT UCAT ANZ

You have completed the UCAT and have received your results.

STEP 2: APPLY FOR COURSES

Add courses to your Victorian Tertiary Admissions Centre (VTAC) preference list between 2 August - 30 September.

You will not be able to add the medicine courses after 30 September, or remove and then re-add them, www.vtac.edu.au

STEP 3: RURAL & INDIGENOUS APPLICANTS

Dean's Rural List / Dean's Indigenous List

Eligible applicants will be sent an email during the week starting Monday 11 October about this inviting them to an interview. Will need to prove rural / Indigenous status. Applications close Friday 5 November (5pm).

STEP 4: INTERVIEW

Shortlisted based on UCAT and ATAR results.

If you don't receive an invite for an interview, you won't be eligible for a place in the MD. Invitations will be emailed late December and interviews will be held during January 2022.

STEP 5: OFFERS

Offers will be released via VTAC in January (TBC)

LA TROBE UNIVERSITY / THE UNIVERSITY OF MELBOURNE

COURSE (UNDERGRADUATE TO GRADUATE ENTRY)

La Trobe University and The University of Melbourne have a joint medical program for applicants with a regional / rural background.

OVERVIEW

Students complete the three-year Bachelor of Biomedical Science (Medical) at the Bendigo or Albury-Wodonga campus, <https://bit.ly/2TgA9HO>

Depending on grades, students may then be able to transfer into the Doctor of Medicine at The University of Melbourne, Shepparton campus.

SELECTION CRITERIA - BACHELOR

- Lived at least 5 years consecutively or 10 years cumulatively in a regional area classified as RA 2-5 zones.
- Raw ATAR of 80+
- Subject prerequisites: study score of at least 30 in English (EAL) or at least 25 in any other English.
- Multi Mini Interview (short listed).

SELECTION CRITERIA - MD

To be guaranteed entry into the MD at The University of Melbourne, you will need to achieve a Weighted Average Mark of at least 70% in the Bachelor degree.

SCHOLARSHIPS

VTAC Scholarships: complete by Friday 8 October, <https://bit.ly/345Jnvq>

Direct scholarships: <https://bit.ly/2ZkZ9jL>

ACCOMMODATION

Visit, <https://bit.ly/2E9htUI>

STEP 1: APPLY FOR EARLY ENTRY

Apply for the course direct to La Trobe via the Aspire Early Admissions Program by 17 September, <http://bit.ly/2v9WOLN>

STEP 2: APPLY FOR THE COURSE

Apply for the course via VTAC, www.vtac.edu.au

Applicants for the Albury-Wodonga campus can apply via VTAC or UAC, www.uac.edu.au

Timely applications close 30 September 2021.

STEP 3: PROVIDE EVIDENCE OF RURALITY

Complete the online evidence of rurality form by early December (TBC), <http://bit.ly/2VYOzgJ>

STEP 4: EARLY ENTRY OFFER

Aspire Early Admission conditional offers released in October. Applicants who receive a conditional offer, an ATAR of at least 80, and meet prerequisites will be guaranteed an interview.

STEP 4: INTERVIEW

Short-listed applicants offered a Multi Mini Interview will be sent an email in late December or early January detailing the interview process and are required to attend the interview in January.

STEP 4: OFFERS

Offers will be released via VTAC or UAC in January and will be based on selection rank (ATAR with SEAS adjustment) (30%) and interview performance (70%).

MONASH UNIVERSITY

COURSE (GRADUATE ENTRY)

Bachelor of Medical Science and Doctor of Medicine (MD) – Graduate Entry.

Gippsland campus. 4-years, <https://bit.ly/3kuzrDX>

SELECTION CRITERIA

Performance in an approved Monash bachelor's degree (at least a 70% Weighted Average Mark).

Performance in the Multiple Mini Interview and Situational Judgement Test (for short-listed applicants).

RURAL & INDIGENOUS APPLICANTS

For information on the Dean's Rural List, Rural End to End Program and the Monash University Indigenous Student Access Scheme, visit <https://bit.ly/3hOQkrs>

YEAR 12 STUDENTS – VTAC

To be eligible for the MD, Year 12 students must apply for one of the eligible courses at Monash via VTAC.

STEP 1: UNDERGRADUATE DEGREE

Complete one of the following Monash University undergraduate bachelor degrees:

Biomedicine (includes combined degrees)
Science (includes combined degrees)
Pharmacy (Honours)
Physiotherapy (Honours)

Note – there are 73 places in the MD. At least 70% of places are reserved for Biomedical Science graduates.

STEP 2: APPLY FOR COURSE

Apply for the course direct to Monash. Apply for the Dean's Rural List and/or Rural End to End Program later if eligible and invited to do so.

STEP 3: INTERVIEW + TEST

Graduates who have achieved the required Weighted Average Mark in the undergraduate degree may be invited to sit the Multiple Mini Interview (MMI) and the Situational Judgement Test (JST).

STEP 4: OFFERS

Offers are based on the ranking of the applicant's undergraduate academic performance (40%) and MMI / SJT (60%) after final results have been released. Within the 78 places, there are rural and bonded places that applicants can apply for.

DEAKIN UNIVERSITY

COURSE (GRADUATE ENTRY)

Doctor of Medicine, Geelong Warrn Ponds, 4-years
<https://bit.ly/2Xv5z08>

SELECTION CRITERIA

Note – application chart to the right is for general entry.

General Entry Scheme

- Grade point average of an undergraduate degree from any university.
- GAMSAT result
- Interview (short listed)

Rural Training Scheme

Same as for General Entry Scheme with the addition of the following:

- Written application
- Tiered priority entry system aligned with specific rural geographical locations.

Indigenous Entry Scheme

- Recognition as an Indigenous Australian
- Grade point average of an undergraduate degree from any university of at least 5.0 or undergraduate + postgraduate results.
- Application form
- Interview (short-listed)

YEAR 12 STUDENTS – VTAC

Year 12 students can apply for any undergraduate courses at any university to be eligible for the Doctor of Medicine at Deakin.

STEP 1: UNDERGRADUATE DEGREE

Complete a bachelor degree from any university.

Note – students may receive adjustment points if they have completed a degree from Deakin or an allied health degree such as Speech Pathology/Dietetics + 12 months full-time clinical practice as an AHPRA registered health professional.

STEP 2: GAMSAT

Complete the Graduate Medical School Admissions Test (GAMSAT).

STEP 3: APPLY FOR COURSE

Apply for course via the Graduate Entry Medical School Admission System (GEMSAS).

STEP 3: INTERVIEW

Short listed applicants will complete the Multi-Mini Interview (MMI).

STEP 4: OFFERS

Offers are based on the ranking of the applicant's undergraduate academic performance, GAMSAT result, and MMI result.

THE UNIVERSITY OF MELBOURNE

COURSE (GRADUATE ENTRY)

Doctor of Medicine (MD), 4-years,
<https://bit.ly/2m6U2Sy>

SELECTION CRITERIA

Note – application chart to the right is for general entry.

General entry

- Grade point average of an undergraduate degree from any university.
- Completion of prerequisite units in the undergraduate degree.
- GAMSAT result
- Multi-Mini Interview (short listed)

MD Rural Pathway

- Weighted Average Mark (at least 70%) of the Bachelor of Biomedical Science (Medical) from La Trobe University OR academic performance of any undergraduate degree from any university.
- Multi-Mini Interview (rural-specific)
- Doctor of Medicine Rural Pathway rurality form.

Indigenous MD Student Entry Pathway

- Grade Point Average of at least 5.0 in any undergraduate degree from any university.
- Multi-Mini Interview (pass).
- Provide evidence of being an Indigenous person.
- Complete interview with a panel chaired by the Associate Dean (Indigenous) of the Faculty (or their nominee), and other appropriate Indigenous representatives (short-listed).

YEAR 12 STUDENTS – VTAC

Year 12 students can apply for any undergraduate courses at any university to be eligible for the Doctor of Medicine at the University.

There are 3 guaranteed pathways into the MD – these are listed on the next page.

STEP 1: UNDERGRADUATE DEGREE

Complete a bachelor degree from any university. Note – guaranteed entry may be available into the MD – information is on the next page.

STEP 2: GAMSAT

Complete the Graduate Medical School Admissions Test (GAMSAT).

STEP 3: APPLY FOR COURSE

Apply for course via Graduate Entry Medical School Admission System (GEMSAS).

STEP 3: INTERVIEW

Short listed applicants will complete the Multi-Mini Interview (MMI).

STEP 4: OFFERS

Offers will be made on the basis of a combined ranked list where the interview will contribute 50%, GPA will contribute 25% and GAMSAT will contribute 25% to the final ranking after interview.

THE UNIVERSITY OF MELBOURNE

The University offers three guaranteed pathway options into the Doctor of Medicine. Note: Indigenous MD Entry Pathway – information is at this link <https://bit.ly/2OK4HPI>

Melbourne Chancellor's Scholarship

<https://bit.ly/2Kz8r3Z>

Students who achieve a high ATAR (general entry 99.9+, Indigenous entry – 90+) and study a University of Melbourne Bachelor degree immediately after Year 12 will be eligible for a place in the Melbourne Chancellor's Scholarship.

Chancellor's Scholars will be guaranteed a Commonwealth Supported Place in the Doctor of Medicine providing they meet the following entry requirements:

- Successfully complete the Multi Mini Interview.
- Pass all prerequisite subjects on the first attempt in the undergraduate degree.

To apply, add eligible University of Melbourne Chancellor's Scholar undergraduate degrees to your VTAC preference list.

Full-fee Guaranteed Entry Scheme

<https://bit.ly/2VEstOm>

Students who achieve an ATAR of 99+ and study a University of Melbourne Bachelor degree immediately after Year 12 will be guaranteed a full-fee paying place in the Doctor of Medicine providing they meet the following entry requirements:

- Successfully complete the Multi Mini Interview
- Pass all prerequisite subjects on the first attempt in the undergraduate degree
- Maintain a weighted average mark (WAM) of 75% in their undergraduate degree.

To apply, add University of Melbourne undergraduate degrees to your VTAC preference list.

La Trobe University / The University of Melbourne Joint Medical Pathway

<https://bit.ly/2Kz8r3Z>

See page 4.
